

# Compact Classic

Compact Classic combines the very popular TEAL quality Brushed Stainless Steel finish with the latest electronic technology - so hugely successful in other TEAL products.

Specifically designed to meet the worst rigours of external use 'On the road', Compact Classic is ideal for 'Hot Trades', Tarmac layers, white liners, etc.

Finger tip tap operation combined with washing under RUNNING water will give up to **15 ten second** fully hygienic hand washes per filling.

**Delivered complete with mounting kit with bracket, correct fuse and fuse holder**
