The most portable hot water wash unit ever - ensuring that you can wash your hands wherever you are!

# Lightweight, easy to carry, easy to clean and use!

The Handeman Xtra is perfect for any situation where a hot water hand wash is a requirement.

It has a unique jet spray that reaches every part of the hands and washing under running water means there's no need to dip hands into dirty suds.

The Handeman Xtra can be positioned on any convenient flat surface. Its unique bowl retains all the dirty water which can be emptied when the water is replenished.

The **HMXP** is for use with pre-heated water and provides a minimum of fifteen 12 second hand washes per filling and will keep water warm for up to 5 hours depending on the temperature of the of the preheated hot water.

The **HMX230V** has all the features of the HMXP with the added benefit of built-in electric water heating.
