

Teach handwashing - indoors or out!

The Teal KWX

KiddiWash Xtra

Hand washing - the most important lesson a child can learn!

Suitable for indoor and outdoor use!

Ideal for preschool and nurseries

Designed specifically for the smallest hands, the KiddiWash is the ideal solution anywhere an effective warm water hand wash is required.

Lightweight, easy to carry, easy to clean and use!

Portable, robust and easy to clean, the KiddiWash Xtra is the perfect portable warm water hand washing unit for smaller hands – and is ideal for preschool and nursery situations.

Warm water hand washing can be provided anywhere with this versatile unit. It's entirely self-contained: just fill it with warm water and the KiddiWash Xtra will keep it warm for several hours.

The flat base enables it to be positioned on any stable level surface – both indoors and out! So it's always at just the right height for little ones to wash their hands.

The KiddiWash Xtra is for use with pre-heated water and provides a minimum of fifteen 12 second hand washes per filling.
